

MANY HOSPITALS ARE STRUGGLING FINANCIALLY

Revenue growth has stalled, yet expenses continue to rise

THE TRADITIONAL PLAYBOOK
NO LONGER PRODUCES
LASTING RESULTS

BUT THERE'S A BETTER WAY

TARGETED MARGIN IMPROVEMENT

We diagnose your eroding hospital margins and address root causes to improve your financial performance.

LENGTH OF STAY MANAGEMENT

We create visibility and engagement to improve your length of stay. Our real-time reporting package makes it easy.

REVENUE REALIZATION

We help you dramatically improve revenue realization, so you can capture every dollar you've earned.

OB REVENUE IMPROVEMENT

We ensure your mother and baby documentation, coding, and reimbursement reflects the true acuity of your patients.

PHARMACY OPTIMIZATION

We optimize clinical outcomes while reducing your drug spend. We help you achieve savings with data-driven insights.

CULTURE OF OWNERSHIP

We guide your leadership team to develop the behaviors that create a culture of ownership of your financial performance.

WE DIAGNOSE MARGIN-ERODING PROBLEMS

Years of industry knowledge and experience allow us to find and fix what's really broken.

WE IMPLEMENT UNIQUE & PROVEN SOLUTIONS

Our processes and algorithms have been tested and proven.

WITH MULTIPLE SERVICES YOUR MARGIN TYPICALLY IMPROVES 5-7%

You own the ongoing process and your mission is stronger and more sustainable.
